

WILLINGNESS TO SERVE FORM

All non-profit organizations rely heavily on its members to assist with activities that are identified as being important for the positive direction of the organization. We are trying to develop active committees within the Perlite Institute and would like to ask you to volunteer your time and talent to the organization.

Committees will meet by conference call and will e-mail and call each other to communicate. The average amount of time committee involvement should take is 2-4 hours each quarter. The more volunteers we have on committees, the more successful we will be as an organization.

Please volunteer to serve on a Perlite Institute committee today! Just complete the form below and return it to the Perlite Institute office at 2207 Forest Hills Drive, Harrisburg, PA 17112; via fax to 717-238-9985; or by e-mail to info@perlite.org.

WE NEED YOUR ASSISTANCE! PLEASE VOLUNTEER TODAY!
